CITY OF CHAMPAIGN SPRING YARD WASTE COLLECTION

This year, the City of Champaign Spring Yard Waste Collection program will run from April 5 through April 30, 2010. This collection is available to all residential properties in the City of Champaign within City limits at no charge. This program will provide a green alternative for yard waste disposal.

Residents may participate by simply placing bagged leaves or bundled branches and twigs at the curb by 6:00 a.m. on their scheduled collection date. Residents should refer to the map and schedule below to determine their collection dates. (Map reflects general City boundaries only.) Residents should note that on heavy collection days, collections may occur later than normal or even the next day. Materials not collected by the end of the following day should be reported to Public Works at 217.403.4770.

More information on the program can be found on the City’s web site at www.ci.champaign.il.us and on the City’s television site, CGTV-Cable Channel 5. Residents are also encouraged to sign up for automatic e-mail notification of this and all future yard waste collections at the City’s web site.
