On-Street Permit Parking Program

The On-Street Permit Parking Program is just one of several parking management strategies developed by the City of Champaign in collaboration with the Campustown Area Transportation Study (CATS) to address the demands for parking, and to assist in regulating City-owned parking within the Campus District. In conjunction, Short-Term/Temporary Visitor's Parking is designed to accommodate the parking needs of our visitor(s) to the Campus District.

Short-Term/Temporary Visitor's Parking shall cover a maximum of 30 days, with the 5-30 days pass being non-renewable.

Parking Pass Information

The pass is to be used by the requested holder only. It must not be sold or transferred to anyone else. When parked in the assigned space/meter, the pass must be displayed from the rear view mirror at all times or there is a risk of having the vehicle ticketed and towed at the owner's expense. Parking passes are issued in the On-Street Parking Areas only (see maps). Visitor's passes are subject to availability.

Obtaining A Pass

The cost of a 1 - 4 day(s) pass is \$7.50 per calendar day, 5-30 days will cost the applicant \$35. To obtain a Visitor's parking pass, the applicant must complete this form, provide our staff a copy of the vehicle registration card or provide staff with the pertinent information via phone (**note: phone-in requests will only be accepted if payment is being made with Visa or MasterCard**) at least 7 days in advance of the date needed. Information should be received at the Parking Programs office at 713 Edgebrook Dr. in Champaign. Office hours are 7:30 a.m. to 5:00 p.m., Monday through Friday. Spaces are available on a first-come, first-served basis only. **No refunds are given for cancellation of this agreement at any time during the rental period.**
